Bördebogen Google Maps

Bördebogen - Google Maps

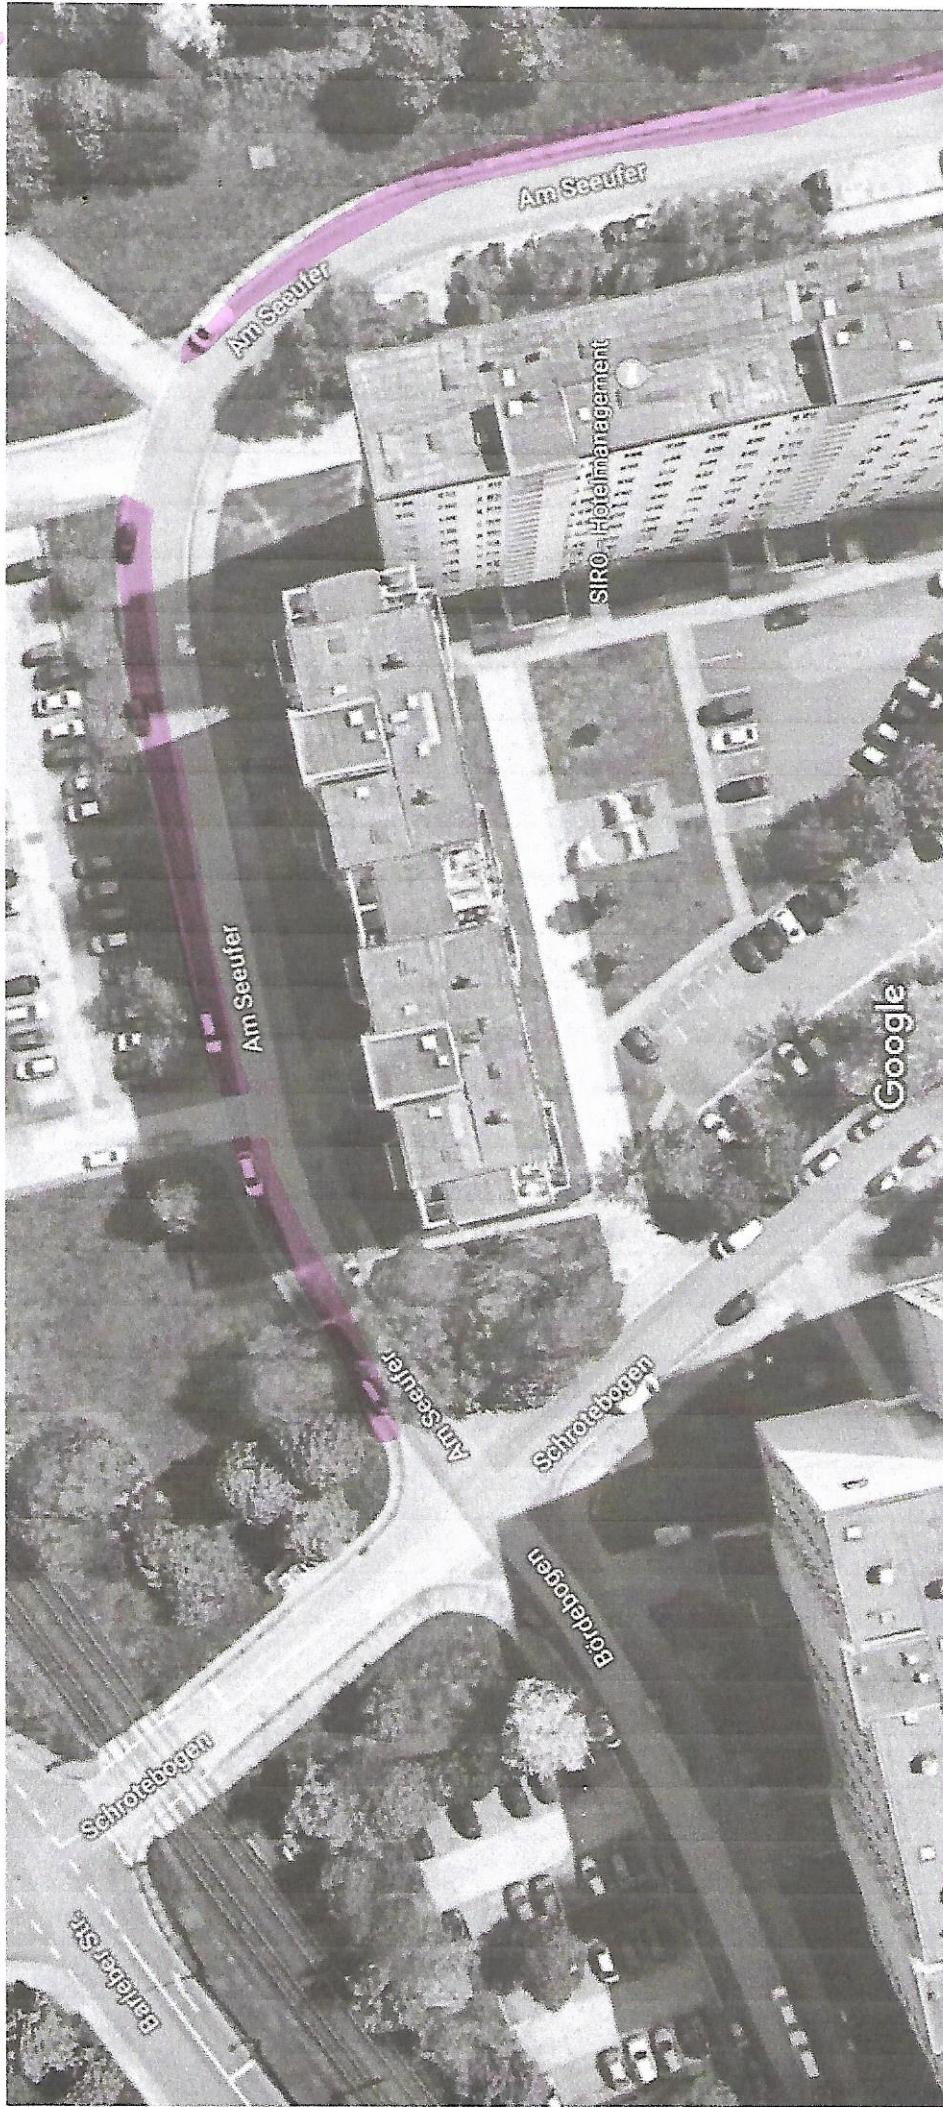

An aerial satellite photograph of a residential area in Berlin. The image shows a mix of modern apartment complexes and older buildings. Several streets are labeled: 'Bördebogen' runs diagonally from top-left to bottom-right; 'Barleber Str.' appears twice, once horizontally at the bottom and once vertically on the right; 'Krähenviertel' is written vertically along a street on the far right; and 'Im Brunnenhof' is written vertically along a street on the left. A large white building with many windows is visible in the upper right. The terrain is a mix of asphalt roads, green lawns, and some water bodies. The image has a distinct purple tint.
